

COVID-19: Operational risk assessment for school reopening

Please note: this risk assessment should be undertaken in conjunction with the guidance on school reopening issued by the Department for Education on 2 July 2020 as follows:

[Guidance for full opening - schools - GOV.UK](#)

This recognises that the youngest children in schools cannot socially distance from adults or each other. The implementation of ‘bubbles’ are an alternative protective measure to keeping people apart. Therefore, ‘social distancing’ in this risk assessment refers to the use of bubbles and/or the requirement to keep to 1 or 2 metre distances, depending on the age of the children concerned.

Based on SAGE modelling, the hierarchy of controls we have factored into our planning to help prevent the spread of COVID-19 are set out below:

System of controls

This is the set of actions schools **must** take. They are grouped into ‘prevention’ and ‘response to any infection’ and are outlined in more detail in the sections below.

Prevention:

1. minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school
2. clean hands more often than usual
3. ensure good respiratory hygiene by promoting the ‘catch it, bin it, kill it’ approach
4. introduce enhanced cleaning, including cleaning frequently touched surfaces often using standard products, such as detergents and bleach
5. minimise contact and maintain social distance
6. where necessary, wear appropriate personal protective equipment (PPE)

Numbers 1 - 4 must be in place in all schools, all the time.

Number 5 requires an assessment of how to maximise social distancing and minimise contact within the school.

Number 6 applies in specific circumstances.

Response to any infection:

7. engage with the NHS Test and Trace process
8. manage confirmed cases of coronavirus (COVID-19) amongst the school community
9. contain any outbreak by following local health protection team advice

Numbers 7 – 9 must be followed in every case where they are relevant.

1. Establishing a systematic process of fully opening, including social distancing guidance					

1.1 Capacity					
<p>Available capacity of the school is reduced when social distancing guidelines are applied</p>	M	<ul style="list-style-type: none"> • Social distancing confirmed as 1m or less between children (depending on age) and 2m between children and adults (and between adults), again, depending on age of children. • Social distancing not expected for children in EYFS and KS1 • Bubbles agreed of year groups or smaller, depending on phase of education. • Agreed new timetable and arrangements confirmed for each bubble. • Arrangements in place to support any pupils still unable to attend school with remote learning at home. • Face coverings available for staff and children to use in areas where social distancing is more difficult 	Y	<ul style="list-style-type: none"> • Year groups based in key areas - Y11 Annex, Y10 Corridor 1 & 2, Y9 English, Y8 Corridor Hub, FL1, L1, L2, L3, Y7 Science. Wk commencing 2.10.20 Y7 & Y9 will switch base classroom bubbles. • Specialist rooms have been isolated so that they can be used for specific subjects and IT. • Classrooms cleared out so that the maximum amount of classroom space can be used. • PLC will support Y11 & Y10, Bridge will support Y7,8 & 9 in bubble areas. • No student has identified that they are shielding in Sept. • Students have identified as quarantined due to trips abroad. Google classrooms will be set up for these students so they can stay on track. • PE risk assessment identifies specifics that the academy must follow to support the Health and Safety needs of its students. 	M
1.2 Organisation of teaching spaces					
<p>Classroom sizes will not allow adequate social distancing</p>	H	<ul style="list-style-type: none"> • Requirement for social distancing reviewed by government to support full classes to return to classrooms. • Classrooms re-modelled, with chairs and desks in rows facing in the same direction to support social distancing. • Clear signage displayed in classrooms promoting social distancing. • In primary schools, classes stay together with their teacher and do not mix with other pupils. • In secondary schools the year group stays together and does not mix with other pupils. 	Y	<ul style="list-style-type: none"> • Wipes available for fabric teacher chairs so that arms can be cleaned on transition. • All non-essential cabinets and cupboards removed from rooms. • A teaching space will be identified at the front of the room where staff will teach from - where students need help they should come to the teacher, but the 	M

Large spaces need to be used as classrooms	M	<ul style="list-style-type: none"> Limits set for large spaces (e.g. hall, sports hall, dining hall) for teaching. Large gatherings prohibited. Design layout and arrangements in place to enable social distancing e.g. students facing the same way in dining areas and not sat face to face. 	Y	<ul style="list-style-type: none"> 2 large spaces identified for dining - Canteen & Gym (hot food can be served in both areas) Hub and Library used as temporary classrooms for when students have to move due to specialist rooms. EAL 1 & 2 converted into 1 classroom. Dining rooms altered to have seating facing the walls where possible - min of 75 seats available for each space per sitting. Currently 150 seats in each dining facility for social distancing. 2 outdoor spaces will be identified to support outdoor space. 	M
1.3 Availability of staff and class sizes					
The number of staff who are available is lower than that required to teach classes in school and operate effective home learning	M	<ul style="list-style-type: none"> The health status and availability of every member of staff is known and is regularly updated so that deployment can be planned. Shielding guidance paused from 1 August 2020, allowing staff to return to work and children to schools Full use is made of those staff who are self-isolating or continue to be required to shield following discussions with their GP but who are well enough to teach lessons online. Flexible and responsive use of teaching assistants and pastoral staff to supervise classes is in place. Full use is made of test and trace to inform staff deployment. Non-specialist teachers may be used to deliver content provided by subject specialists. 	Y	<ul style="list-style-type: none"> LM will be based in their year group areas. During change over an additional member of staff will support the supervision of the classes. Students will be told that all staff have the authority to use sanctions and everyone is to be treated with respect. Where this falls down LM/SLT will come to support. 	M
Re-timetabling and extended days mean that staff exceed their contracted working hours	M	<ul style="list-style-type: none"> Directed time calculations reworked and shared with staff PPA allocations still provided on timetables Where timetable restricts PPA or exceeds weekly hours for teachers, a two weekly timetable agreed to compensate 	Y	<ul style="list-style-type: none"> Staff to complete morning and after school duties to support social distancing. Staff are required to isolate following holidays abroad, making them unavailable for the start of the new term	M	<ul style="list-style-type: none"> All staff have been advised to follow government advice on the booking of holidays All staff have been advised of the need to be available for work at the start of the new term and to plan any quarantine timings into their holiday plans Staff managing attendance policy and absence policies to be followed from September 	Y		M
1.4 The school day					
The start and end of the school day create risks of breaching social distancing guidelines	H	<ul style="list-style-type: none"> Start and departure times are managed, with staggering where possible The number of entrances and exits to be used is maximised. Different entrances/exits are used for different bubbles if entering at the same time. Staff and pupils are briefed and signage provided to identify which entrances, exits and circulation routes to use. A plan is in place for managing the movement of people on arrival to avoid groups of people congregating. Floor markings are visible where it is necessary to manage any queuing. Attendance patterns have been optimised to ensure maximum safety. One way systems around the school. Accessibility for disabled students and staff have been considered within changes. Extra curricula activities cancelled if relevant distancing and controls can not be put in place to protect bubbles. 	Y	<ul style="list-style-type: none"> Can arrive on site from - 8:00, 8:25 arrival for: <ul style="list-style-type: none"> Year 7 - 8 Year 8 - 8.10 Year 10 - 8.05 Year 9 - 8.25 Year 11 - 8.25 Both gates will be utilised so social distancing can take place - where a year group enters they also have to exit. Staff at the end of the day take their students to their exit point. <ul style="list-style-type: none"> Year 7 - Arncliffe Year 8 - Warmfield Year 9 - Warmfield Year 10 - Arncliffe Year 11 - Arncliffe <p>Where students are involved in enrichment there will be identified Year group drop off points.</p>	M

				<p>When students arrive they will be maintained in a holding area and dismissed to their classrooms, this will be near to their classroom areas.</p> <ul style="list-style-type: none"> One way system around site will be adhered to by students and staff. This will be marked on the floors. Students will be taken to break and lunch by their classroom teachers 2 minutes before the scheduled session is about to start. 	
<p>Wrap around care provided in school is not able to comply with social distancing or bubble separation</p>	M	<ul style="list-style-type: none"> School provided breakfast will be grab bags that can be distributed to classrooms or separate areas for each bubble After school activities will be separated and offered to distinct year groups to ensure bubbles are maintained/or cancelled if not possible Externally provided wrap around care on school site must provide the school with their risk assessment and control measures that comply with government guidance 	Y	<ul style="list-style-type: none"> Can opt to take advantage of Magic Breakfast offer for FSM students which includes home breakfast packs. 	M
<p>1.5 Planning movement around the school</p>					
<p>Movement around the school risks social distancing not being maintained</p>	H	<ul style="list-style-type: none"> Circulation plans have been reviewed and revised. One-way systems are in place where possible. Posters in corridors regarding social distancing. Appropriate signage is in place to clarify circulation routes. Pinch points and bottlenecks are identified, staffed and managed accordingly. Movement of pupils around school is minimised as much as possible, with pupils staying in classrooms and staff moving round. Lesson change overs are organised to avoid overcrowding. Pupils are regularly briefed regarding observing social distancing guidance. Spaced lines on main corridors. Appropriate duty rota and levels of supervision are in place. Risk assessment in place for children who require support under EHCP where social distancing cannot be implemented e.g. TA pushing wheelchair 	Y	<ul style="list-style-type: none"> SLT to test the movement around school to see what cross over if any takes place. Hold year groups in key areas at cross over time. Team to communicate effectively to move over break and lunch. Y7 & Y8 to line up in the social area to move back to their base. Corridors in the main building are not two meters wide therefore there should be no cross over of staff or pupils unless staff are waiting for students to arrive by the door to aid with circulation. 	M

		<ul style="list-style-type: none"> • Play areas will be divided if more than one bubble is to use it at the same time • Outdoor play equipment will be either taken out of use, cleaned between use by different bubbles or separate equipment provided for each bubble • Face coverings available for staff and children to use in areas where social distancing is more difficult - highly recommending that these are worn 		<ul style="list-style-type: none"> • Regular updates to students about using the one way system so that they understand the importance of complying. • LM will be based on corridors with their year groups rather than around the site. During change over support staff will help supervise classes. • Risk assessments will be in place for EHCPs students and those who we as an academy are concerned about. These will be shared with staff prior to starting in Sept. • Two social areas have been devised for students to use. 	
1.6 Curriculum organisation					
Pupils will have fallen behind in their learning during school closures and achievement gaps will have widened	H	<ul style="list-style-type: none"> • Gaps in learning are assessed and addressed in teachers' short, medium and longer term planning. • Praising stars will be used to assess the impact of interventions • Curriculum has been re-ordered to focus on learning priorities for the phase of education if it can't all be caught up • Plans for intervention are in place for those pupils who have fallen behind in their learning. 	Y	<ul style="list-style-type: none"> • Directors working with HoDs to re-develop curriculum. Where there are no Directors then baseline assessments need to take place to establish gaps in learning and a plan to re-energise is developed: DT, PE, BS 	M
Library book sharing risks virus infection	M	<ul style="list-style-type: none"> • Libraries will not be used as a social space for children • Children will be managed in small numbers to select a book • Returned books will be quarantined for 72 hours before being returned to library shelves 	Y	<ul style="list-style-type: none"> • The Library will be used as a teaching space. Library plan (AR) to follow. 	M
Practical music lessons spread virus through spittle and touch	M	<ul style="list-style-type: none"> • Music lessons in the curriculum to be theory and touch instruments that can be easily cleaned only • Peripatetic music lessons to continue online with the child using an instrument solely used by them 	Y	<ul style="list-style-type: none"> • Face to face lessons will not take place in a face to face setting but peri lessons can continue. Individual guidance will be given for each instrument. 	M

1.7 Staff workspaces

<p>Staff rooms and offices do not allow for observation of social distancing guidelines</p>	<p>H</p>	<ul style="list-style-type: none"> Staff rooms and offices have been reviewed and appropriate configurations of furniture and workstations have been put in place to allow for social distancing. Staff have been briefed on the use of these rooms. Posters in place regarding social distancing and hygiene. Communal equipment removed or measures in place to disinfect between use. Face coverings available for staff to use in areas where social distancing is more difficult 	<p>Y</p>	<ul style="list-style-type: none"> Where staff have previous been facing each other, computers and machines should be moved to face windows and walls. Sanitation stations to be available in each office space. Top up Tuesday will allow staff to come and top up personal equipment. If areas need fitted equipment updating them they should contact the Premises team. There is a cleaning system in place to support refilling of equipment. No hot desking - with the exception of reception and SID during lunch periods for the relevant members of staff. Free classroom plan available for staff to access to establish a space to work during non-contact. However they must confirm use with HAL in advance. Library computer section for staff use during lesson time. Where staff are able to work from home this practice will continue to minimise office restrictions. 	<p>L</p>

Staff do not receive ongoing CPD leading to retention issues	M	<ul style="list-style-type: none"> • Learning and performance sessions will be provided in school with social distancing and using technology • The OIE will continue to support CPD through the offer of online programmes • Flick online learning will support with statutory, mandatory and additional training • Training on how to wear face coverings given on INSET days 	Y	<ul style="list-style-type: none"> • CPD opportunities identified each week in L&P and shared with staff. Staff also share any new and exciting CPD that they have discovered. 	L
1.13 Free school meals					
Reduced food offers are available due to kitchen and dining capacity	H	<ul style="list-style-type: none"> • A range of hot a cold food will be available (although this may not be a full menu) • Dining staggered to ensure full bubble can be catered for • Additional large spaces in school considered for dining 	Y	<ul style="list-style-type: none"> • Hot food can be served in both dining spaces, however initially a reduced menu will be offered to support the beginnings of the school year. This will be reviewed each week. • No eating outside • Lunches can be maintained at the same time as the current school year. • Staff can eat lunch in the classroom they are occupying, in the staff room, however this would be one member of staff per table or in the Hub if it is not being used 	M

				for lessons, they must not congregate in small office spaces.	
1.14 Risk assessments					
Risks are not comprehensively assessed in every area of the school in light of COVID-19, leading to breaches of social distancing and hygiene guidance.	H	<ul style="list-style-type: none"> • Risk assessment from other partners completed • Risk assessments are updated or undertaken before the school reopens in September and mitigation strategies are put in place and communicated to staff covering: <ul style="list-style-type: none"> - Personal care - EHCP - Vulnerable staff - MAPA 	Y	<ul style="list-style-type: none"> • AP risk assessments received and will be reviewed 1.9.20 (UCAN, Wakefield College, A2Change). Only 1 student planned to be at Wakefield college. 	M
1.15 School transport					
If any students use public transport: Changes to bus schedules as a result of COVID-19 adversely affect pupils' attendance and punctuality and do not align with staggered start and departure times	M	<ul style="list-style-type: none"> • The details of how pupils will travel to and from school are known prior to September. • Effective liaison with bus companies is used as a basis for planning staggered start and departure times, where required. • Home learning and telephone support established where a child is unable to attend school due to transport issues. • Children encouraged to use other forms of transport, including cycling and walking. • Walking buses employed • Children advised how to queue at bus stops employing social distancing • Children advised how to use facial coverings (aged over 11) on public transport and remove safely on arrival at school • Additional hand washing and sanitising facilities available at bus parks and entrances to school. • Queuing at the school at the end of the day is managed to ensure social distancing 	Y	<ul style="list-style-type: none"> • Arriva have advised of restrictions and travel guidance; we regularly check their website for updates and share this with our students, parents & carers. <p>If any children use home school taxis and escorted home/school transport: Social distancing can not be maintained due to the need for support or the size of the vehicle</p>	M	<ul style="list-style-type: none"> • Liaison with local authority to understand the control measures in place and risk assessments • Children to be seated apart as far as possible from other children and adults • Hand washing/sanitising on boarding and disembarking • Face coverings to be used if appropriate 	Y	<ul style="list-style-type: none"> • Relates to one student and this is a private arrangement between the LA and the taxi company 	L
<p>1.16 Multi-site working</p>					
<p>Staff who normally work across multiple sites risk the spread of infection across sites</p>	H	<ul style="list-style-type: none"> • Whilst government guidance allows staff to move between sites, colleagues with a multi site contract will be required to identify one or two places of work and visit those sites only, unless operational necessity requires them to move. • Staff who are able, will still be asked to work from home. • If there is a need to change the designated site to manage operational risks at that site, hygiene precautions will be put in place before arriving at the new site. 	Y	<p>Applies to IT and Finance colleagues: Finance has a rota meaning they WFH for one day before visiting their other site and IT will minimise site visits unless essential.</p>	M
<p>1.17 Attendance and Punctuality</p>					
<p>Children do not attend school consistently as habits and social norms have changed</p>	M	<ul style="list-style-type: none"> • The need and value of attendance at school will be regularly reinforced with children and families • PR campaigns regarding attendance will be launched • Attendance staffing requirements will be kept under review to ensure that all absence is chased effectively • Regular safeguarding phone calls to those children not attending • Attendance fines will be reintroduced 	Y	<ul style="list-style-type: none"> • Praise for those students who attend weekly. Mentors to share weekly attendance results and students to complete their trackers, 100% students each week added into a draw to receive a break time snack and drink. 	M

1.18 Alternative Provision					
<p>Control measures are not in place for children attending alternative provision or otherwise accessing part time education</p>	M	<ul style="list-style-type: none"> Liaison with AP providers where children attend full time to ensure that risk assessment and control measures are in place in line with government guidance Where attendance is part time, liaison to identify the risks of movement between settings Children not to attend more than 1 setting in the same day 	Y	<ul style="list-style-type: none"> AP risk assessments received and will be reviewed 1.9.20 (UCAN, Wakefield College, A2Change) 	M
2. Investing in safety equipment and health and safety arrangements to limit the spread of COVID-19					
2.1 Cleaning					
<p>Cleaning capacity is reduced so that cleaning of surfaces are not undertaken to the standards required</p>	H	<ul style="list-style-type: none"> An enhanced cleaning schedule is agreed and implemented which minimises the spread of infection. Working hours for cleaning staff are increased and additional staff appointed where necessary. Dining areas, toilets and high frequency areas are prioritised in additional cleaning schedules and for cleaning between use by different bubbles Cleaning logs completed in key areas e.g. toilets, dining and high frequency areas. Classroom timetabling is shared to ensure the classrooms are cleaned when free 	Y	<ul style="list-style-type: none"> Toilet usage between lessons are identified for student use: <ul style="list-style-type: none"> Year 7 - Main block Year 8 - Inclusion corridor & Main Corridor Year 9 - English corridor (Gym) Year 10 - Main block Year 11 - Annex (Gym) Wk commencing 2.10.20 Toilet update: <ul style="list-style-type: none"> Year 7 - English corridor Year 8 - Inclusion corridor & Main Corridor Year 9 - Main toilet block Year 10 - Main block Year 11 - Annex & Gym Staff will use the new toilets next to Inclusion, the main staff toilet next to the Canteen & the staff room toilets in the Hub and the Annex. Pinch points in cleaning have been identified and processes resolved. 	M

				<ul style="list-style-type: none"> Contracted cleaning company (Churchills) are continuing to change working patterns to include daytime cleaning of key areas. Assurance given from Churchills that they are BICS accredited and that staff training meets HSEQ regulations. Risk assessment in place with Churchills; staff trained (toolbox talks) in relation to revised cleaning procedures. 	
2.2 Hygiene and handwashing					
Inadequate supplies of soap and hand sanitiser mean that pupils and staff do not wash their hands with sufficient frequency	H	<ul style="list-style-type: none"> An audit of handwashing facilities and sanitiser dispensers has been undertaken and additional supplies are purchased if necessary. Monitoring arrangements are in place to ensure that supplies of soap, hand towels and sanitiser are maintained throughout the day. Additional external wash basins have been provided at key points around the school. 	Y	<ul style="list-style-type: none"> 5 hand sanitizer stations in and around the academy. 3 external hand washing facilities have been created Staff have all been allocated their own hand sanitization and sanitation kit. Classrooms have been inspected by SLT to ascertain if they meet basic expectations for others to use. 	M
Pupils forget to wash their hands regularly and frequently	H	<ul style="list-style-type: none"> Staff training includes the need to remind pupils of the need to wash their hands regularly and frequently. Hand washing is timetabled for arrival at school, when changing rooms, return from breaks and before and after eating Posters and electronic messaging boards reinforce the need to wash hands regularly and frequently. School leaders monitor the extent to which handwashing is taking place on a regular and frequent basis and timetable into the day if necessary. 3. Maximising social distancing measures					
3.1 Pupil behaviour					

<p>Pupils' behaviour on return to school does not comply with social distancing guidance</p>	<p>H</p>	<ul style="list-style-type: none"> • Clear messaging to pupils on the importance and reasons for social distancing is reinforced throughout the school day by staff and through posters, electronic boards, and floor markings. For young children this is done through age-appropriate methods such as stories and games. • Staff model social distancing consistently. • The movement of pupils around the school is minimised. • Large gatherings are avoided. • Break times and lunch times are structured to support social distancing and are closely supervised. • The school's behaviour policy has been revised to include compliance with social distancing and this has been communicated to staff, pupils and parents. • Senior leaders monitor areas where there are breaches of social distancing measures and arrangements are reviewed. • Messages to parents reinforce the importance of social distancing. • Arrangements for social distancing of younger primary school children have been agreed and staff are clear on expectations - NB for EYFS and KS1 the bubble is designed to protect children that are too young to social distance. 	<p>Y</p>	<ul style="list-style-type: none"> • Year 7 & 8 will remain in their bubbles for lessons except where specialist provision is needed. (PE) • LM will be based on each corridor to support behaviour. • If a student reaches a C4 then they will be deposited by the LM to the most appropriate class in their bubble. • If a student fails to meet the standard in this classroom then they will be removed to spend the rest of the lesson with the LM. If numbers increase SLT called to support. • If a student reaches a C5 then one day will be identified where they will complete their C5 within the week. • During social times students will be brought to their areas by staff members. Students will line up in these areas. If students wish to attend the social areas then they will be taken to these areas in groups to support social distancing. 	<p>M</p>
<p>3.2 Classrooms and teaching spaces</p>					
<p>The size and configuration of classrooms and teaching spaces does not support government guidance</p>	<p>H</p>	<ul style="list-style-type: none"> • All furniture not in use has been removed from classrooms and teaching spaces or made inaccessible. • Arrangements are reviewed regularly. • Unnecessary equipment removed from classrooms • Soft toys and soft furnishings removed • Cleaning product and wipes available in EYFS to clean toys • Equipment in practical subjects will be cleaned between use by different bubbles or additional items purchased so that items are not shared beyond the bubble • Tables in rows with children facing the front to avoid face to face • Entering and exiting the classroom is 'one person at a time' 	<p>Y</p>	<ul style="list-style-type: none"> • All staff to use the cupboards in their classrooms to full effect. 3.3 Movement in corridors

<p>Social distancing guidance is breached when pupils circulate in corridors</p>	<p>H</p>	<ul style="list-style-type: none"> • Circulation plans have been reviewed and amended. • One-way systems are in operation where feasible. • Posters in corridors and circulation areas on social distancing • Floor markings in key areas • Circulation routes are clearly marked with appropriate signage. • Any pinch points/bottle necks are identified and managed accordingly. • The movement of pupils around school is minimised as much as possible. • Where possible, pupils stay in classrooms and staff move around. • Social time change overs are staggered to avoid overcrowding. • Pupils are briefed regularly regarding observing social distancing guidance whilst circulating. • Appropriate supervision levels are in place. • Accessible routes have been planned where necessary. • Face coverings available for staff and children to use in areas where social distancing is more difficult 	<p>Y</p>	<ul style="list-style-type: none"> • Lunch time staff moved off the toilet area with a magnetic lock door, therefore this is not a corridor, it is an access point for the Bridge only. • Year 7 & 8 remain in the classrooms unless they have studying, PE. Wk Commencing 28.9.20 Y7 & Y8 can now access computer rooms for their Computing lessons. Students are collected from their classrooms and taken to the lesson. • Social times at break are separated over P2 and the original break time. Lunch times are staggered as normal however these are in separate areas. 	<p>M</p>
<p>3.4 Break times</p>					
<p>Pupils may not observe social distancing at break times</p>	<p>H</p>	<ul style="list-style-type: none"> • Break times are staggered. • External areas are designated for different groups. • Pupils are reminded about social distancing as break times begin. • Social distancing signage is in place around the school and in key areas. • Supervision levels have been enhanced, especially with younger pupils, to support social distancing. • Face coverings available for staff and children to use in areas where social distancing is more difficult 	<p>Y</p>	<ul style="list-style-type: none"> • Risk assessments arranged for those who we feel may have difficulty with the new normal. <p>Pupils may not observe social distancing at lunch times</p>	<p>H</p>	<ul style="list-style-type: none"> • Pupils are reminded about social distancing as lunch times begin. • Pupils wash their hands before and after eating. • Dining area layouts have been configured to ensure social distancing. • Tables and chairs have been cordoned off where this is not possible. • Floor markings are used to manage queues and enable social distancing. • <i>PIN and biometric either disinfected between each use or replaced with manual recording of purchases (this could also be managed by children washing hands on entrance to canteen)</i> • Cashless 'reval' machines taken out of use and pupils advised to 'top up' from home. • Water fountains taken out of use. 	<p>Y</p>	<ul style="list-style-type: none"> • Catering staff have been given a plan in terms of roles and responsibilities and the cleaning regime that need to be maintained. • Only one 'push' water machine in operation. No fountains around the Academy. • 3 hand washing stations have been added to site to support hand washing. 	<p>M</p>

		<ul style="list-style-type: none"> Additional arrangements are in place, such as staggering lunch times, delivering grab bags to classrooms, pupils eating in classrooms or other spaces. Guidance has been issued to parents and pupils on packed lunches (e.g. the use of disposable bags instead of lunch boxes). Eating areas are cleaned between bubbles by catering, cleaning or MSA staff. Face coverings available for staff and children to use in areas where social distancing is more difficult 		<ul style="list-style-type: none"> Reval machine removed. HMGs received additional material to go through about social distancing and masks 16.9.20. All staff received additional presentations to add to their slides to remind students that if they leave a room to a communal area they should have their masks on. 	
3.6 Toilets					
Queues for toilets and handwashing risk non-compliance with social distancing measures	H	<ul style="list-style-type: none"> Queuing zones for toilets and hand washing have been established and are monitored. Floor markings are in place to enable social distancing. Pupils know that they can only use the toilet one at a time. Pupils are encouraged to access the toilet during class/throughout the day to help avoid queues. The toilets are cleaned frequently. Monitoring ensures a constant supply of soap and paper towels. Bins are emptied regularly. Pupils are reminded regularly on how to wash hands and young children are supervised in doing so. Face coverings available for staff and children to use in areas where social distancing is more difficult 	Y	<ul style="list-style-type: none"> Separate toilets have been identified during break and lunch sessions. 8. Governance					
8.1 Oversight of the governing body					
Lack of governor oversight during the COVID-19 crisis leads to the school failing to meet statutory requirements.	H	<ul style="list-style-type: none"> The Trust Board continues to meet regularly via online platforms. The agendas are structured to ensure all statutory requirements are discussed and school leaders are held to account for their implementation. The Principal's report to governors includes content and updates on how the school is continuing to meet its statutory obligations in addition to covering the school's response to COVID-19. Regular dialogue with the Chair of Governors and those governors with designated responsibilities is in place. Scheme of Delegation has been reviewed to ensure schools and the Trust can respond appropriately - delegated decisions tracked and reviewed. 	Y	<ul style="list-style-type: none"> Reports to the Academy council continue and weekly meeting established with Chair of Governors. Meeting held 1 Oct 2020. Cleaning information:

The Academy use Churchill Services for all its cleaning requirements. Churchill's are a BICS accredited company and all staff are trained to adhere to those standards.

All staff participate in regular training which is logged and a copy of all training records are held on site as part of the company HSEQ documentation. All staff must pass each mandatory training module at a 100% pass rate. The company conducts refresher training of this HSEQ every 2 years and have tool box talks based around various HSEQ subjects on a monthly basis.

Churchills have completed a thorough COVID Risk Assessment that has been agreed centrally with Outwood Grange Academies Trust; which has been individualised to meet each academy's requirements. This Risk Assessment and a suite of COVID tool box talks / posters have been shared with all cleaning staff and they have confirmed their full understanding of revised working methods.

As we know cleaning plays a vital role in limiting the potential transmission of COVID-19 and as such the Academy has worked with Churchills to fully implement a bespoke cleaning rota. In addition to our regular cleaning schedule we have secured 3 daytime cleaners that continuously clean all frequently touched surfaces within a dedicated bubble zone.

Should we identify a symptomatic person then Churchills can fully confirm that their procedures fully comply with Government / PHE guidelines in relation to cleaning and disinfecting public / shared areas. All cleaning products are fully endorsed and waste is removed via the recognised methods.

Where the Academy has reported a positive COVID-19 case; then we liaise fully with the Department for Education, PHE and Local Infection Control officers and we can confirm they have acknowledged that we have taken all necessary steps to ensure that we comply with guidance and process.
